'We Return' is a fresh contemporary Jazz Single written by **Marcia Migét** (pronounced '**Mar-sha Me-Jhay**') and produced by two-time Grammy nominated musician Chris 'Big Dog' Davis. A recent Jazz Hall of Fame recipient, Migét is a seasoned multi-instrumentalist playing piano and flute on this cut. Davis adds his production brilliance topped off by Jay William's drumming flair. Marcia recalls, "**Chris and Jay set fire to the song!**"

Featured in 2022 at **Berk's Jazz Festival 'Women in Jazz'** Marcia received standing ovations for songs from her CD "**I Vision**" produced by Chris Davis. Her flute work is heard on **Nick Colionne's Billboard SmoothJazz #4 single "Step to This"**. Located in the SF Bay, Founder/Director of **Miraflores Music Academié** Marcia recently received the **BEST MUSIC SCHOOL 2022**.

An active "On Call" musician, some of her works include her seminal CD project, '**Discovery**'; she produced and co-wrote music for **Jorge Santana's** final CD project, '**Restoration**'; creating and performing music for the documentary on United Farmer Workers' founder César Chávez, '**Song for Cesar, The Movement and the Music**' produced by Legend of Latin Rock **Abel Sanchez/Alegria**; and recently released her contemporary Jazz CD, '**I Vision**' with three singles that garnered international recognition.

The Press see her as "**a treasure**", "**... an artist of uncommon sensibility...**"; **Carlos Santana** describes her, "**Her music reflects a strong, deep and honest commitment to life.**"

An accomplished performer, composer and educator, a living example of the rich musical heritage, she is '**la Maestra**', **Marcia Migét**.
